* **E-Mail (publications subject to licence):** Electronic full text deliveries from the list of publications subject to licence.

** **Fax dispatch:** Please note that high scan quality for documents (resolution 300 dpi) can only be guaranteed when using postal delivery. This quality cannot be achieved using the same scanning process in combination with a fax delivery (resolution 200 dpi).

*** **Pay per View:** Direct access to full electronic texts.

Open Access is free of charge.

Surcharges:

Delivery volume: The flat rate for a copy delivery includes up to 100 pages. From page 101 the basic fee will be applied once again.

Orders placed without using the form: For orders placed without using the form, either by E-mail, letter or fax, a surcharge of €4.00 will be charged for manual processing. Dispatch is at the present time only possible by post or fax.

Courier service: For postal deliveries classed as urgent or very urgent a surcharge of €7.00 will be made.

Hourly charge for extra services: For special services such as the creation of digital versions of older stock an additional hourly charge will be added to the basic charge for the customer group concerned of €20.00 per hour or part hour.
